Dear Community Supporter,

The Mark McEvoy Legacy Foundation is a 501(c)(3) nonprofit organization started in 2015 to create an ongoing legacy for an amazing individual. Mark was diagnosed with cystic fibrosis at an early age and has since been through two lung transplants; the second of which is in a state of chronic rejection. Through his difficult battle Mark has inspired those around him with his unbreakable spirit, his love for laughter and life, and by being the best husband and father possible. Many of you met Mark at the Haggin Oaks Golf Super Shop, where he worked from 2011-2014. Although his medical issues have prevented him from working, when his health allows he loves to visit coworkers and friends, and especially to accompany his son Colin to his junior programs with The First Tee. Mark will always be part of the Haggin Oaks and Morton Golf family. Along with Colin and his wife Brandi, Mark inspired us to create a lasting Foundation dedicated to supporting their family and others like them.

Our mission is to support families in the Greater Sacramento Area who face a life-threatening or terminal condition. Whether it be assisting a family with a financial burden, or relieving them of their daily grind with a trip to the ballpark, our goal is to help families breathe a little easier. However, we cannot reach this goal without the support of individuals, such as you, in our community.

The Mark McEvoy Legacy Foundation hosts its 2nd Annual Clover Cup Charity Golf Tournament at the Haggin Oaks Golf Complex on Monday, August 29. Join us for an 8AM shotgun on the Alistair MacKenzie course, and enjoy a fun-filled day including a scramble format, tournament contests and games, lunch, tee prizes, raffle, and silent auction.
